Solutions

For You Page: These are all TikTok food trends: PASTINA, GIRL DINNER, #WATERTOK, LEMON POSSET, UPSIDE DOWN PUFF PASTRY, SNOW GLOBE COCKTAIL. Matching these up and using the intersected number as an index gives the answer TIKTOK.

Tawann Says: DESTRUCTIVECHANGE becomes THETOWER which becomes THEMORRISWORM.

Legalese: Each word anagrams to a legal-themed word (approved by Brandon as something "a First-year (law student would know"), plus an extra letter: CAPTION = ACTION + P, CHARLES = LACHES + R, PARITY = PARTY + I, OVER = ROE + V, TAROT = TORT + A, COVET = VOTE + C, MILITARYS = MISTRIAL + Y, MUSICAL = AMICUS + L, AQUATIC = ACQUIT + A, DEWED = DEED + W. Taking all the extra letters in order spells PRIVACY LAW.

Fossil Hunting: After finding all the words in the grid, the leftover letters spell BRANCH OF SCIENCE CONCERNED WITH FOSSIL ANIMALS AND PLANTS TWELVE LETTERS. The answer is PALEONTOLOGY.

A Stitch in Time: Taking the numbered squares spells NEEDLEPOINT.

Six Corners: Following the maze from entry to exit yields the message SEMAPHORE CIPHER.

Meta: Filling in the acrostic with the answers to the other puzzles yields HAPPY BIRTHDAY! LETS DRINK WINE & WATCH HACKERS.

Tawaun Says

1. Write "destructive change" without spaces. That's what we're going to do!
2. Move the second word in front of the first word.
3. Change all vowels except E to U.
4. Remove the letters that spell an animal (or operating system) backwards.
5. Find a trigram where a letter is sandwiched by two of the same letter. Remove the second and third letters.
6. Change the first letter to the fourth letter of your name (yes, your name!).
7. Change the letter appearing last alphabetically to the first double letter in your last name.
8. Look, a new phrase! Change the second word to a synonym built by Eiffel.
9. After the fifth letter, insert the city where the previous clue's item is located.
10. Change the fourth letter to an M, and add an M at the end of the phrase.
11. Change the letter third from the last to the second letter of Evan's last name.
12. Replace the bigram which is a short form for dad with the letter R.
